Parents are welcome to purchase items from any vendor, provided they adhere to the school's guidelines (available on the school website). Vendor contact information can be found on the notice board at the school's entrance. The school has arranged an on-campus vendor, at the request of parents, purely for the convenience of students and parents.

All students are required to wear the winter uniform starting from 12th November 2026.

Parents entering the campus are NOT ALLOWED to wander around. They should complete their purchases within the specified times and promptly exit the campus.

Alternatively, they may shop at vendor stores in the market during other times.

THIS IS A SAFETY AND SECURITY REQUIREMENT.

I kindly ask that any uniform items your son has outgrown but are still in good condition be washed and given to the respective class teacher. This will help the school support students whose families may not be able to afford new uniforms.

Thank you.
