10th December 2025

Dear Parent (Class 10 students)

To facilitate the conduct of Science and Computer practicals, as well as the viewing of Pre-Board I answer papers and personalized doubt-clearing sessions, students will be required to attend school in batches from Thursday, 11th December 2025.

The school timings during this period will be **7:30 AM to 11:35 AM**. Parents are requested to make transport arrangements accordingly and provide a consent letter in case students are travelling on their own.

Batch 1	Roll No. 1 to 15 of all sections	11th ; 16th ; 19th December
Batch 2	Roll No. 16 to 30 of all sections	12th ; 17th ; 22nd December
Batch 3	Roll No. 31 onwards of all sections	15th ; 18th ; 23rd December

(Timetable is on Page 2 & 3)

On days when students remain at home, they are advised to thoroughly revise the entire syllabus, reattempt the Pre-Board I papers for practice, and prepare a list of their doubts. When they attend school for practicals and paper viewing, they must ensure that all doubts are clarified with the respective subject teachers.

With reference to the notice issued on 18th November 2025, parents are reminded that the January 2026 examination is meant solely for students seeking improvement or for those who may not pass the December 2025 examination. The higher of the two marks obtained in each subject will be considered for the purpose of Class 11 stream allocation.

Appearing for the January examination is not compulsory; however, it will serve as valuable practice for the CBSE Board Examinations scheduled for February 2026, even for students who perform well in December.

As students now enter the final phase of preparation for their CBSE Board Examinations, parents are requested to provide them with the necessary time, guidance, and focused support. Any form of tuition or coaching should be pursued with seriousness and must not interfere with dedicated self-study and revision time. Special attention should also be given to students' nutrition, as examination stress often leads to neglect of health.

Let us keep our Class 10 and 12 students in our thoughts and prayers as they begin this important phase of preparation.

With every good wish,

Br. Robert Fernandes
