The AI Summit-2026 is scheduled to be held from 16th to 20th February, 2026 at Bharat Mandapam, New Delhi and extensive VVIP movements are anticipated. It has been observed that the VVIP movements from 17th to 19th February 2026 coincide with the Board Examination timings of some schools (as per attached list), which may affect the movement of students as well as school transport.

Accordingly, Delhi Police (Traffic) has prepared a route map indicating the tentative movement plan of VVIPs from hotels to the venue Bharat Mandapam (as per the pattern of G-20 event) and the locations of schools have also been plotted on the same map.

All possible traffic arrangements are being planned and coordinated to ensure smooth, safe and timely movement of students appearing in Board Examinations, while simultaneously facilitating the requisite VVIP movement during the AI Summit-2026. A traffic advisory for the schools and their students has been prepared, advising to avoid certain roads during the summit period to ensure timely and hassle-free movement.

Subject: AI Summit-2026 scheduled to be held from 16th to 20th February 2026 at Bharatmandapam, New Delhi, Measures for ensuring smooth traffic movement for students appearing in Board Examinations

Sir,

It is respectfully submitted that during the AI Summit-2026, scheduled to be held from 16th to 20th February 2026 at Bharat Mandapam, New Delhi, extensive VVIP movements are anticipated.

It is further submitted that this office is in constant coordination with the Education Department, Delhi, and the schedule of Board Examinations along with details of examination centres has been obtained. As per the programme, VVIP movements in connection with the AI Summit from nine (09) hotels located in the New Delhi area to Bharat Mandapam are scheduled only on 17th, 18th and 19th February 2026.

On perusal of the Board Examination schedule, it has been observed that the VVIP movements from 17th to 19th February 2026 coincide with the examination timings of various schools, which may affect the movement of students as well as school transport.

Accordingly, a route map indicating the tentative movement plan of VVIPs from hotels to the venue Bharat Mandapam (as per the pattern of G-20 event) has been prepared and the locations of schools have also been plotted on the same map (enclosed at **F/A**).

The details of ten (10) such schools, including examination timings, subjects, number of students appearing in Board/Home Examinations on 17th, 18th and 19th February 2026, along with two suggestive routes for students during VVIP movement, are annexed at **F/B**.

It is further submitted that the Education Department, Delhi has provided a list of thirty-four (34) schools situated within a radius of 5 km from Bharat Mandapam, New Delhi (list enclosed at **F/C**). Out of these, only two (02) schools fall on the VVIP route.

A traffic advisory for the remaining thirty-two (32) schools and their students has been prepared, advising them to avoid certain roads during the summit period to ensure timely and hassle-free movement (copy enclosed at **F/D**).

It is suggested that the Education Department may nominate a Nodal Officer for schools and the Traffic Police shall also nominate a Nodal Officer. The nominated officers shall conduct a joint survey of schools to facilitate smooth movement of students and school transport during VVIP movement in connection with the AI Summit-2026.

All possible traffic arrangements are being planned and coordinated to ensure smooth, safe and timely movement of students appearing in Board Examinations, while simultaneously facilitating the requisite VVIP movement during the AI Summit-2026.

In view of the above, it is requested that the authorities may kindly be informed accordingly to advise concerned Schools as well as students to avoid affected roads and use the suggested routes as mentioned in the advisory, please.

This has issue with the approval of competent authority.

Yours faithfully,
