Subject: Advisory Regarding Traffic Diversions During Examinations due to Important India AI Impact Summit 2026 AI Summit- reg.

Madam/Sir,

This is to inform you that during the forthcoming **Class X and Class XII Board Examinations, India AI Impact Summit 2026** is scheduled to be held in Delhi w.e.f 16th February to 20th February 2026. Due to the anticipated VIP movements and related traffic regulations, there may be congestion, route diversions and delays in various parts of the city.

In order to avoid any inconvenience to students and to the staff and to ensure the smooth conduct of examinations, all Principals and Centre Superintendents of CBSE Examination Centres of Delhi region are hereby directed that timely instructions must be issued to the candidates and their parents advising them to plan their travel in advance and reach the examination centre well before the scheduled reporting time, keeping sufficient buffer time in view of possible traffic restrictions. It is advisable to use Metro services to reach the examination centres which are playing smoothly.

All schools are requested to help and guide the parents and the students. Students are once again advised to visit their examination centre in advance and make a plan for their travel by avoiding VIP area and traffic advisory issued by the Delhi Police so that they can arrive well before the examination time at the centre.

The above measure is essential to ensure smooth conduct of the examinations and to avoid any inconvenience to the candidates.
