- **Swimming (onsite)**

Step 1: Body Position- Freestyle

Keep your body flat, lie facing down in the water with your body kept in line with the water surface.

Step 2: Arm Movement

Your arm movement can be broken down to the simplest form consisting just two actions - the Pull and Recovery.

Both hands should alternate between these two movements and be moving simultaneously.

Step 3: Breathing Technique

Choosing a side to breathe will depend on being right or left handed. While your hand is early in the recovery phase, turn your head sideways for a quick breath.

Gives us strength in fraternity.

[Verse 1]

Please, remember to cover your mouth
When you sneeze or when you cough.
Use a tissue and wash your hands.
That is always the best plan.
Use your manners everywhere,

[Verse 2]

Don't forget the magic words,
You must use them wherever you go.
Thank you, sorry, excuse me, please,
Are kind words to say you'll see!

[Chorus]

Use your manners everywhere,
Anytime and anywhere.

I've Got the Joy In My Heart

[Verse 1]

I've got the joy, joy, joy, joy down in my
heart

Where?

Down in my heart!

Where?

Down in my heart!

I've got the joy, joy, joy, joy down in my
heart

Where?

Down in my heart to stay

[Chorus]

And I'm so happy

So very happy

I've got the love of Jesus in my heart

Good manners matter,
All of them you have to master.

[Verse 3]

Be respectful all the time.
Wait your turn and be on time.
Keep your hands to yourself,
Listen when others are talking as well.

It's A Small World (After All)

[Verse 1]

we're aware
It's a small world after all

It's a small world after all
It's a small world after all
It's a small, small world

[Verse 2]

And a smile means friendship to everyone
Though the mountains divide
And the oceans are wide
It's a small world after all

It's a small world after all
It's a small world after all
It's a small, small world

Where?
Down in my heart to stay
