[Verse 1]

Making words; we just love making words
Combining all together making words
Every single day, we read and write and
play -- the phonicals

We love to be read the phonicals
Sounds that can be said the phonicals
We're written everywhere,
Words and stories we do share -- with you
With you, hoo... hoo...

Making words, we just love making words
Stringing words together making words
Come and join us, and read and write and
play with the phonicals
